Dear Sir/Madam,

I, Srabana Gupta, currently pursuing Digital Marketing course in your institute. I am writing to respectfully request a deferment/postponement of my placement process for the current recruitment cycle. At this moment, I am not adequately prepared for interviews and believe that appearing for placements right now would not allow me to represent myself.

I sincerely hope for your kind consideration of my request.

**Hi Srabana,**

Understood. I will put your placement process **on hold** for now.

Let me know when you are ready to proceed.
